# Incredible Todmorden Green-Route

Follow the Green-Route Signs throughout the town

## Before you set off

For wheelchair access an alternative path to the canal can be used as marked on the map. The Green-Route is approximately 2km long. Please take extra care when crossing roads and walking along the canal. Finally please be considerate of our community and place all rubbish in the bins throughout town.

# Incredible North

Growing health, wealth  
and happiness for all

## This is a movement for **EVERYONE**.

Local communities growing and eating the best local produce; public bodies looking for a new approach to health, wealth and happiness; and food entrepreneurs inspired to follow their dreams with like-minded people. Incredible North is home to all who know things don't have to be like yesterday –they can be much, much better!
