

- **1/3 of food we produce globally is binned.**
- **15 million tonnes** of food is thrown away in the UK every year. That would be enough to fill **19 Wembley stadiums to the brim**
- If we were to stop food waste altogether, the Greenhouse Gas impact would be the equivalent of taking **1 in 4 cars off the road**
- **28% of the world's agricultural area** is taken to grow food that is wasted, half of the irrigation water used around the world is lost to wasted food
