Eco Shops are pop-up shops in a number of schools and community venues of high-quality supermarket food. Because of over ordering or mis-printing on the packaging, the food would be thrown away. Fareshare NE want to put a stop to this perfectly good food going to landfill, so it is distributed to Eco-Shops.

Eco Shops need people to make use of this food and to stop it being wasted. Please visit an Eco Shop (bring your own bag), and for a donation of £2 you can choose 10 items that you want of a range of high-quality supermarket food. Usually, fresh fruit and vegetables are free with your shop!
